Hemlocks (Tsuga)

Yews (Taxus)

Dogwoods (Cornus)

Flowering Crabs (Malus)

Flowering Cherries (Prunus)

Fruit Trees and Berry Plants

GENERAL INFORMATION and TERMS AND CONDITIONS OF SALE

Please Read Carefully

PRICES quoted cancel previous quotations, are subject to prior sale and to change without notice. Prices are F.O.B. E.Patchogue, N.Y. Lots of 5 and 25 will be furnished at the 10 and 100 rates only where shown. Unusually heavy specimens will be priced proportionate with their individual values.

TERMS: Cash, excepting established accounts, to which we will gladly extend 30 days credit, or longer where specific arrangements are made at time of sale.

BALLING AND BURLAPPING (B&B): All evergreens and evergreen shrubs are dug with balls of earth and enclosed in burlap (B&B) at list prices. This applies likewise to any other plants marked "B&B". Since with the balance of the plants balling is advisable at certain times of the year only, a charge will be made for digging any plant B&B if not so listed. Platforms used in balling are to be returned to us or they will be charged for.

PACKING AND BOXING, where necessary for parcel post, express, or freight shipment, will be charged for at cost.

SHIPMENT: Please give explicit instructions. We ship by motor and rail freight, express and parcel post. Delivery by our own trucks expedites arrival and insures a minimum

amount of handling. Delivery beyond local limits is charged for at cost.

PLANTING: We can furnish experienced planting foremen and plantsmen if you wish. The cost of this service is low, considering the satisfaction derived from knowing that your plants have been given the right start.

QUOTATIONS AND SKETCHES covering contemplated planting will be submitted without cost or obligation unless large detailed plans are required, in which event we suggest that you consult a professional Landscape Architect. Reliable names will be furnished on request.

VISITORS are welcome at all times. You are cordially invited to walk or drive over our several miles of good roads throughout the nurseries and inspect our fine collection of hardy plants.

SALESMEN are available at our office to furnish information relative to the selection, use, and care of plants. No salesmen are maintained at our branch nurseries. We neither employ agents nor authorize dealers to use our name. Our salesmen will present our business card when calling on you.

RESPONSIBILITY AND STANDING: We refer you to the Commercial Agencies or satisfied customers in your vicinity, a list of which we will gladly send you upon request.

SCHEDULE OF BALLING CHARGES (B&B)

Deciduous Trees, Deciduous Shrubs and Fruits

Caliper means diameter of trunk 6" above ground. In determining charges on trees, use caliper wherever given.

Height		Caliper	
18-24"	\$.30	1-1 $\frac{1}{4}$ "	\$1.50
2-3'	.40	1 $\frac{1}{4}$ -1 $\frac{1}{2}$ "	2.00
